

**Gateway Complex**  
**Gateway, Colorado**  
**Current**

Owner: Western Sky Dev.  
Architect: Centre Sky  
EOR: Russel A. Martino  
Contractor: Shaw Construction

**Gateway Complex**

The multi building Motor Inn is the first of three phases of this multi phase, multi structure, multi use site. Following will be an Event Center, a leaning Center, and a larger multi building extension to the motor inn. The other buildings shown were existing at the start of phase I. There will also be villas, employee housing, and an observatory.
